

**SCIENCE BOX**

## **Lockdown science challenge**

**Week 4 challenge worksheet: make it float**

Hey, young  
scientists! Ready to  
solve this week's science  
challenge?

# The challenge

**You will need:**

- 1 paperclip
- 1 jar of water
- 1 pencil
- tissue paper

**Note that you may not need to use all of these supplies**

**Your challenge is to use the listed supplies to make the pencil float in the jar of water.**

# My plan

Draw or write below to show how you'll solve the challenge.

# My attempts

Write down the ways you try to solve the challenge. Be creative!

Attempt number	What did you try?	What went wrong?	What will you change?

# My result

How did you solve the challenge? Draw or write below.

What is the science behind this challenge? What did you discover?
